

Azure Basecamp: Microsoft Fabric

Weds 26th March | Microsoft Reading

GIACOM.

Microsoft

Event Intro

Join us at Microsoft Thames Valley Park for an in-depth, hands-on session exploring Microsoft Fabric - the powerful analytics platform designed to empower businesses and data professionals alike.

You'll discover how Microsoft Fabric can make working with data easier and how the platform brings all your data together, helping you make decisions in real time.

We'll also dive into the technical side of Microsoft Fabric and explore how it works behind the scenes with a live demo.

Venue

Microsoft Reading

Executive Boardroom,
Building 2,
Microsoft Campus,
Thames Valley Park,
Reading,
